the NEW downtown PARKING program

Efficient parking creates a vibrant and walkable downtown.

After years of continued downtown and regional growth the demand for parking in the prime spots, especially during peak periods, is at an all-time high. The City of Sarasota's new parking program provides improved access to the most desired parking spots near stores, restaurants and businesses. This helps to provide a vibrant business environment while serving the public's interest. Parking becomes easier and quicker to locate which cuts down on traffic and pollution by eliminating "cruising around" to find a parking spot.

Parking options:

- **450+ PAID PARKING SPOTS** with unlimited time restrictions (Mon.-Sat. 9am-8pm).
- **2 HOURS FREE** at over 1,000+ parking spots.
- **10 MINUTES FREE** at all meters, except pole mount meters. To receive the free time at a pay station simply enter your vehicle license plate and complete the transaction. Only one free transaction is permitted by block daily.
- **EASY GARAGE PARKING:** Parking at the State Street or Palm Avenue parking garage provides up to 2 hours of free parking! The garages are safe, well lit, and easy to use.
- **LOCAL MERCHANT WAIVER:** If you forget to pay, The Parking Division offers a One-Time Citation Waiver. Valid with a receipt of \$25 or more from one of our local businesses during the day of citation. Details provided on the waiver ticket.
- **DISABILITY PARKING:** Park free on-street if you display a valid placard, or have a DMV license. This provision is reserved only for vehicles that utilize specialized accessories, as outlined in FSS 316.1964 (8), for disability parking in lots and garages.

metered payment OPTIONS

PAY STATIONS are conveniently located on the same block of the metered space. With an eye on a sustainable future, the eco-friendly, multi-space pay stations are paper-free and use only solar energy for power. Each unit serves multiple parking spaces. See back of this brochure for instructions on use.

DUAL SPACE METERS There are a limited number of pole-mounted meters, and using them is simple. Use

the arrow to point to your parking spot, and follow the prompts. Unless using the pay by phone app, adding time requires customer returning to the same meter.

**PARK HAPPY SARASOTA!
DOWNTOWN PARKING DISTRICT**

The new parking program improves accessibility, creates turnover and improves walking distances to stores and restaurants. With less cruising around to find a place to park, there will be fewer vehicles emissions—which will help reduce pollution downtown. Free parking spaces are still provided on-street and in the parking garages within close proximity of your destination.

• **METERED PARKING** The new pay stations are as easy to use as an ATM, and provide 10 minutes free parking! Metered parking areas are highlighted on the map in dark green.

• **2 HOURS FREE** Using the beautiful State Street or Palm Avenue parking garages helps make your trip simple and gives you more time to stroll the beauty of downtown. The garages are well lit, safe, and easy to use.

Time and days of operations vary, so be sure to observe all signage about metered parking or time restrictions. For assistance or sharing comments, please contact the City of Sarasota Parking Division by emailing us at Parkinginfo@SarasotaFL.gov.
