NOW, THEREFORE, I, THOMAS BARWIN, CITY MANAGER OF THE CITY OF SARASOTA, FLORIDA, BASED UPON THE FOREGOING RECITATIONS, HEREBY ISSUE THIS EMERGENCY ORDER AS FOLLOWS:

Section 1. In light of the foregoing conditions, I hereby extend the declaration of City-wide Public Health Emergency for an additional period of seven (7) days through July 3, 2020.

Section 2. In light of the circumstances described in the preamble to this Order, members of the general public are very strongly urged to wear protective masks when outside of their homes. For those citizens who reside in multi-family residential condominiums and apartments, the phrase "outside their homes" means outside of the condominium or apartment in which they reside. It is strongly recommended that condominium and apartment residents wear masks when they are in the common areas of their buildings, including but not limited to hallways, elevators, lobbies and mailrooms. It is anticipated that when current public health emergency restrictions are lifted or scaled back all citizens may be required by local, state or federal directives to wear a mask when in a public place or when in a business establishment open to the public.

Section 3. In light of the circumstances described in the preamble to this Order, I hereby direct that the experimental street closures which were authorized by Special Event Permit

during Memorial Day weekend and previously extended by my Emergency Order dated May 29, 2020 be further extended. The special event staff of the City may be authorized by the City Manager to temporarily close streets on an ongoing or rotating basis through July 31, 2020. The temporary street closures are not special events. Special Event Permits and Right of Way Use Permits are not required for these temporary street closures and City services will not be provided. Rather, by request, the temporary street closures will be considered and directed by the City Manager for use by restaurants and retail establishments which have been severely impacted by the COVID-19 pandemic. City businesses occupying temporarily closed streets will not be allowed to have live or amplified sound within the City's rights-of-way, must comply with all applicable sound regulations of the City and with all applicable health and safety regulations of the City, County, State and Federal governments.

Section 4. As soon as feasible after issuance and filing with the City Auditor and Clerk, this Emergency Order shall be published on the web site of the City of Sarasota.

DONE AND ORDERED this 26th day of June, 2020.
