

CITY OF SARASOTA, MEET YOUR NEW RECYCLING CART!

COLLECTION WILL BEGIN MONDAY, APRIL 1ST. PLEASE DO NOT PUT YOUR NEW CART OUT FOR COLLECTION PRIOR TO APRIL 1ST.

WHAT DO I DO WITH MY OLD BIN?

After receiving your new cart, set your old recycling bins out for pickup during the month of April. We will collect them and repurpose or recycle them, depending on their condition.

DO I HAVE TO PUT MY RECYCLABLES IN MY CART?

Yes. Crews will only collect recyclables placed in the cart. Do not place material loose on the ground. Do not bag recyclables in cart.

CAN I TAKE MY CART WITH ME IF I MOVE?

No. The cart is the property of the City of Sarasota and stays with the property. When you move, please store the container inside for safe keeping.

WHAT IF MY CART IS STOLEN, DAMAGED OR BROKEN?

Please contact our Solid Waste Division at 941-365-7651 or request a replacement at www.sarasotafl.gov (select Submit Requests and Concerns). We will collect and replace the broken cart. If you did not receive a cart, please contact us.

CAN I HAVE ANOTHER RECYCLING CART?

There is a limit of one cart per household.

A RECYCLING CART WAS DELIVERED TO MY HOME, BUT I DO NOT WANT IT. CAN YOU TAKE IT BACK?

We have a 90-day trial period during which you must keep your recycling cart. If, after this time, you cannot use it due to physical limitations or lack of storage space, please contact our Solid Waste Division at 941-365-7651.
