

Sarasota County Emergency Management

Flash Report #29

March 26, 2020

Activation Level 2: Partial

Event Name: COVID-19

Watch, Warnings, Advisories

Global Level 4 Health Advisory - Do not travel.

Possible Impacts

More cases of COVID-19 are likely to be identified in the coming days, including more cases in the United States. It's also likely that person-to-person spread will continue to occur, including in communities in the United States. It's likely that at some point, widespread transmission of COVID-19 in the United States will occur.

Timing

Symptoms may be mild to severe and may appear 2-14 days after exposure.

Key Points

There is currently no vaccine to prevent COVID-19. The best way to prevent illness is to avoid being exposed to this virus. As a reminder, the Department always recommends everyday preventive actions to help impede the spread of respiratory diseases, including:

Avoiding close contact with people who are sick

Staying home when you are sick and avoiding contact with persons in poor health;

Avoiding touching your eyes, nose and mouth with unwashed hands;

Covering your cough or sneeze with a tissue, then disposing of the tissue;

Washing your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing or sneezing; - If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always

Situation

As of noon today, Sarasota County is reporting 34 confirmed COVID-19 cases, 28 Sarasota County residents and six non-Florida residents. There has been one death in Sarasota County to date, the COVID-19 test result was negative for the second reported death. All confirmed cases in Sarasota County are receiving the appropriate medical care and are hospitalized or self-isolated. The Florida Department of Health continues to see new positive cases across the State, please visit www.flhealth.gov/covid-19 for the most current case count and county specific data.

The Florida Department of Health is currently reporting a total of 2355 confirmed COVID-19 cases in Florida.

Yesterday, Florida Surgeon General Scott Rivkees, M.D. issued a Public Health Advisory for Vulnerable Populations, Gatherings of Private Citizens and Density of the Workforce.

DOH Sarasota is monitoring community health trends on a daily basis to help identify any possible cases of COVID-19. Additionally, the department is serving as an expert resource for health care providers and the public, and working to make sure that health care providers know what to look for and what to do if they suspect COVID-19 in a patient.

DOH continues to visit all licensed long term care facilities in Sarasota County to ensure proper COVID-19 infection control guidelines as established by the CDC are being used to prevent the spread of the virus.

The Florida Department of Health reminds everyone that the elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes are more likely to develop serious illness.

If you are sick with COVID-19 or suspect you are infected with the virus that causes COVID-19, follow the steps below to help prevent the disease from spreading to people in your home and community.

Stay home except to get medical care: You should restrict activities outside your home, except for getting medical care. Do not go to work, school, or public areas. Avoid using public transportation, ride-sharing, or taxis.

Sarasota County Actions

Sarasota County with the Sarasota County Sheriff's Office and Executive Policy Group is monitoring social distancing measures being considered by Collier, Hillsborough, Lee, Orange, and Pinellas Counties.

Employee Health and Benefits announced Virtual EAP sessions to help employees cope with stress.

Park amenities (courts, playgrounds, dog parks) have closed effective Wednesday March 25.

Effective March 23, Sarasota County's Permitting Center and Utilities Customer Services at 400 S. Tamiami Trail will move temporarily to 1001 Sarasota Center Blvd., Sarasota. Customers may conduct business by using phone, e-mail and online service options. Customers who come in-person will experience increased wait times and will be health screened.

SCAT began modified Saturday service on Monday March 23.

Visitor screenings are being performed at Admin. and BOB.

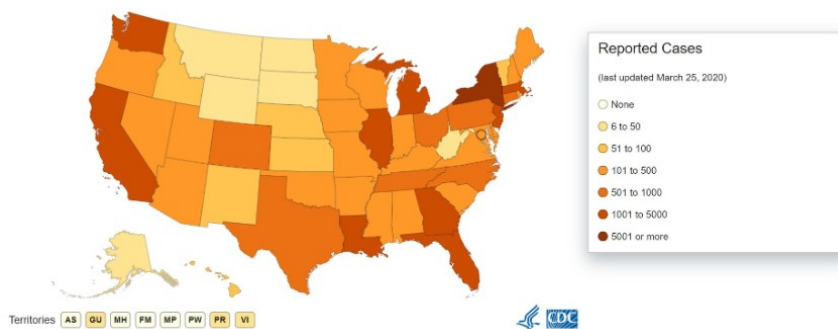

For COVID-19 text updates from Sarasota County Government, text SRQCOVID19 to 888777.

Sarasota County Government has waived water service shut-offs through April 13 for non-payment of utilities bills, as part of our ongoing response to COVID-19.

Sarasota County canceled all events at county facilities through April 12.

Sarasota County libraries are closed and began to implement a drive-thru service on March 20, 2020.

Locations with Reported Cases in the U.S.

The County Administrator extended the emergency declaration through March 29, 2020. The EOC will continue to monitor this dynamic situation and support government operations and partners to ensure resources are available

wash hands with soap and water if hands are visibly dirty;

Cleaning and disinfecting frequently touched objects and surfaces using a regular household cleaning spray or wipe.

The CDC does not recommend that asymptomatic, healthy people wear a facemask to protect themselves from respiratory diseases, including COVID-19. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for health workers and people who are taking care of someone in close settings (at home or in a health care facility).

Cruise Ship Travel

CDC has issued a Level 3 Travel Health Warning for cruise ship travel.

Global Level 4 Health Advisory

The Department of State has issued a Global Level 4 Health Advisory, advises U.S. citizens to avoid all international travel due to the global impact of COVID-19.

High Risk Countries

Depending on your travel history, you will be asked to stay home for a period of 14 days from the time you left an area with widespread or ongoing community spread (Level 3 Travel Health Notice).
